

# ALA SYSTEM

ALA SYSTEM, sistema per box doccia, è nato dalla collaborazione tra Colcom ed il noto designer Antonio Bullo.

Consente, tramite due o quattro cerniere, di sostenere e muovere un box doccia unendo fisso ed anta mobile. La cerniera e la barra ferma vetro sono accorpati in un'elegante e nel contempo raffinata soluzione di design.

Grazie alle sue particolari caratteristiche, la cerniera con alzata della porta consente di alloggiare la guarnizione assicurando la tenuta. Il kit è completo di regolazione per la compensazione a muro.

*Ala system es un kit para box ducha; ha nacido de la colaboración entre Colcom y el conocido diseñador Antonio Bullo.*

*El sistema, por medio de dos o tres bisagras, permite de soportar y mover un box ducha atando fijo y anchura móvil. La bisagra y la barra refuerzo, son juntos en un elegante y refinada solución de diseño industrial.*
